

PRODUCT: Pro~Tex™ Sport
Foaming Hand & Skin Sanitizer

DESCRIPTION: FDA Approved, Alcohol-free, hand & skin sanitizer. No-drip, **non-flammable** foam requires no water. Just rub it in and let dry. Designed for repeated use. Antibacterial efficacy actually increases with each use. Will not dry out the skin.

APPLICATIONS: ATHLETIC

- Locker rooms and during athletic practice and events
- Health clubs
- Trainers' kits

HEALTHCARE

- Any healthcare personnel
- Patients and visitors
- 1st responders

HOSPITALITY/INSTITUTIONAL

- Housekeeping, laundry and front desk employees
- Public restrooms
- Correctional facilities
- Schools
- Any retail establishment or food service.

BENEFITS: Easy, one-step, use. Kills up to 99.999% of bacteria while leaving hands soft and smooth.

ADVANTAGES: Unlike alcohol-based sanitizers, Blockfomia does not remove natural, protective body oils. Leaves hands, feet or any other part of the body feeling smooth and smelling clean. Anti-bacterial efficacy actually increases with use, unlike alcohol-based products which can fall below FDA guidelines within 3-5 uses. Evaluated under U.S. FDA protocol and found to be effective against the following bacteria, fungus and viruses;

Efficacy data summary (15 second exposure)

Organism	% Reduction	Organism	% Reduction
Staphylococcus aureus	>99.999	Klebsiella pneumoniae	99.999
Staphylococcus aureus-MRSA	99.9	Pseudomonas aeruginosa	>99.9999
Clostridium difficile	>99.9999	Salmonella typhi	99.999
Enterococcus faecalis VRE	99.99	Serratia marcescens	99.99
Escherichia coli	99.999	Streptococcus pneumoniae	>99.999
Escherichia coli O157:H7	>99.999	Streptococcus pyogenes	>99.999
