Dear Jan,

CAUTION FLOOR MAY BE WET

- Wet floors in the winter can be a very dangerous thing. Tracking snow into a warm building quickly melts and can make non carpeted floors slippery.
- If you would like we would be happy to provide you with entrance mats, just ask your sales person for more information. Or check our previous mat special by clicking [here](#)
- We also provide a free sign at our website found [here](#).
 - A little protection goes a long way.

OFFER GOOD ALWAYS

Check our website "WHAT'S NEW", "SPECIALS" and "RESOURCE CENTER OFTEN" !

Sincerely,

your sales team
